Sometimes it's the little things that make great swag!

Custom Lapel Pins are a great way to give your participants something they can attach to their running cap, jacket, or bag to be displayed as they build a collection.

Available in a variety of metal finishes, and with color fill or in custom shapes. Our artists love to work with your logo and brand to create the perfect artwork for these small mementos.

Custom Lapel Pins are great options for 5k, 10K, half marathon or marathons. They are particularly popular with trail runners and ultra-races as swag.
